

## Standard Powder Coating Colours

Powder coating provides high corrosion resistance, optimum mechanical properties and excellent gloss retention.

All Hi-Level mezzanine staircases, handrail posts and tubes, steel kick plates, safety gates, sliding access gates and swing gates are powder coated as standard.

We are pleased to offer 8 different colours to our customers at no extra cost. *Unless otherwise requested, all beams, columns and landing frames will be finished in graphite grey full gloss paint as standard.*
